MEMORANDUM

TO: Service list in D.T.E. 01-39 (*via e-mail and regular mail*)

FROM: Jesse S. Reyes, Hearing Officer

RE: Request for further comments on motions of AT&T and Covad for confidential treatment

DATE: November 27, 2001

The hearing officer requests further comments on the Motion for Confidential Treatment of Covad Communications Company and on the Motion of AT&T Communications of New England, Inc. for Protective Treatment of Confidential Information.

Specifically, the hearing officer requests the moving parties to address the following issues: Referring to D.T.E. 01-31-Phase I (Interlocutory Order on Verizon Massachusetts' Appeal of Hearing Officer Ruling Denying Motion for Protective Treatment) (July 25, 2001),

- I. If the locations of collocation arrangements are redacted from the attachments to the pre-filed testimony, explain whether protective treatment is still necessary for the remaining information contained in those attachments. If so, state in detail the basis of proprietary interest or the competitive harm from public disclosure for *each* category of information sought to be protected.
- II. State the appropriate "sunset" period for any protective treatment sought and explain why such period is appropriate.

The hearing officer directs the parties to file further comments on these motions by the close of business on **December 4, 2001**. Any opposition shall be due on the same date.
